

TO-MORROW —THE— SALE —OF THE— SEASON.

We have gathered here a collection of all that is good in dry goods. Our modern merchandising way isn't satisfied with waiting for trade, but creates it. We have secured many special values in desirable goods that we can afford to price extra low to stimulate early selling. Not an unworthy specimen in the lot. The quantities are limited. By coming early you will have the choice. The following are striking examples:

Ladies' Capes —AND— JACKETS.

A fine Black Beaver double cape, with three rows satin piping, with full sweep, worth \$7. Our price \$5.

A better quality Black and Blue Beaver double cape, edged with fur, sold elsewhere at \$7.50. We will close them out at \$5.

An extra quality Black Beaver cape, with satin facing and three rows satin piping around. Price them anywhere and you'll be told \$8.50. Our price \$6.

A fine quality Plush Cape, twilled silk lining, collar trimmed with Thibet fur. Would be cheap for \$8. Our price \$6.50.

A finer quality Plush Cape, a little larger than the above, trimmed with braid and jet, well worth \$12.50. You can buy them from us for \$10.

Black Beaver Jackets, ripple back, elegant fit, from \$3.50 up. You'll save 25 per cent. by calling before making a purchase elsewhere.

Dress Goods.

500 pieces to select from at prices way below the market value. Overstock compels us to unload, and the ladies who have not gotten their new fall dress will profit by buying now.

BUSINESS IS LIVELY —AT THE— BLANKETS.

Scarce an hour of the business day passes but that some one is buying these good blankets. A price list that covers every purse, and not an unworthy blanket in the lot. All wool, part wool and cotton, although the last two are in the minority. If we tell you that a certain blanket is all wool you can rely on it being so. It isn't always so everywhere.

A BIG CUT IN OUR Millinery Department

Notwithstanding our prices for Trimmed and Untrimmed Hats have been cheaper than any other establishment in the city, we will still make a deeper cut on all our Hats. They must go, and the cheapness of the price is bound to make them move. Call and inspect our stock before making your selection.

Happenings Briefly and Reliably Put Before You.

Death of Mrs. Hamilton's Mother.

Col. J. H. Featherstone received a letter yesterday announcing the death of Mrs. V. V. Doyle, of Bristol, which occurred at that place Friday. Mrs. Doyle was the mother of Mrs. W. W. Hamilton, of Vinton.

Revival at Rockville, Md.

Evangelist C. B. Strouse passed through the city yesterday on his way to Rockville, Md., where he commences a union revival to-day. He was accompanied by Mrs. Strouse and Miss Bloomfield Gambill, of this city.

Returned From the West.

John E. Parker, a former resident of this city, returned home yesterday from a prolonged visit to the wild and woolly West. John is improved in health and good looks. He will probably accept a lucrative position that has been offered him here.

En Route to Richmond.

John W. Williams, of Giles county, journal clerk in the house of delegates at the last session of the Virginia legislature, passed through the city yesterday on his way to Richmond. Mr. Williams is an applicant for the same position at the ensuing session.

Hog Cholera Raging.

Cholera has assumed the dimensions of almost an epidemic among the hogs in the country around about Roanoke. One farmer has lost forty fine porkers from the disease and several have died in the city limits. Our people should be very careful about the quality and kind of meat they purchase.

Police Court News.

Charles Bailey was assessed the usual tariff of \$2.50 for being drunk and down. Will Waugh was fined \$3 for disorderly conduct and sent on to the grand jury on the charge of assaulting E. B. Jones. T. H. Hovier was sent on to the grand jury on the charge of forgery.

Run Over and Killed.

Friday afternoon at Bonsacks, the little four-year-old son of Harry Cropp, who lives near the depot, jumped upon the caboose of a freight train which was just starting east. The little fellow slipped and fell under the wheels, which passed over his body, nearly cutting it in two, from the effects of which he died in twenty minutes. The funeral will take place to-day.

Final Game of Tennis.

The final game of tennis was played on the grounds on Eleventh avenue s. w., yesterday afternoon. Messrs. Davant and Thomas played singles, Davant winning first prize. Misses Doggett and Cowell played ladies' singles, Miss Doggett winning first prize, a tennis racket. The second prize, which was won by Miss Cowell, was a three-pound box of Huyler's candy.

Changes at the Machine Works.

Owing to the promotion of Mr. Sauter to the position of master mechanic of the eastern division of the Norfolk and Western, F. P. Hickey has been promoted from the foremanship of the machine shop to full charge of the erecting shops. He, in turn, is succeeded by G. F. Lemon, first assistant of the machine shops, and John A. Pfeiffer, Jr., of the drawing office, was promoted to fill the vacancy thus created.

The Paying of Taxes.

Yesterday being the last day for the payment of taxes, without having the 5 per cent. collection fee added, Treasurer Thomas and his assistants were kept busy exchanging tickets for the ready cash. Altogether, the advance collection was quite satisfactory and encouraging. A very large increase over last year was the result, as not only the business men and corporations, but many of the laboring classes and shop men have paid. The Norfolk and Western railroad paid the snug little fortune of \$18,000 in taxes in the city alone.

A Pleasant Affair.

Mr. and Mrs. B. L. Greider, who, to the regret of their many friends, propose, in the near future, making New York city their place of residence, entertained the Whist Club, of which they are members, and several friends, at their residence on Eighth avenue, on Friday evening last. The evening was devoted to progressive whist and the consumption of a delightful collation, which was gracefully presided over and dispensed by the charming hostess and her genial husband. The lady's prize at whist was won by Mrs. Reginald Koehler, and the gentleman's prize by Prof. Leary. Those present were: Mr. and Mrs. Dupuy Ferguson, Mr. and Mrs. F. Ludwig, Mr. and Mrs. Walton, Mr. and Mrs. P. C. Leary, Mr. and Mrs. A. B. Hammond, Mr. and Mrs. B. Koehler, Mrs. D. H. Matson, Mrs. Payne Thompson, the Misses Nantz and Jeannette Hilleary, Sleight, Phelan and Packard, Mrs. Daw and B. S. Roberts, E. C. Watts, O. S. Mayston, Wm. Stevenson and Captain McHugh.

AMONG THE CHURCHES.

Services at the Various Places of Worship To-day.

At Christ Church there will be the regular services, morning and evening. Rev. R. W. Patton, the rector, will fill the pulpit.

"Civilized Bull Fighting" will be the caption of Dr. Broughton's sermon tonight at the Calvary Baptist Church to the football cranks. At the 11 o'clock service he will discuss "Our Church Covenant." After preaching to night he will go to Richmond to hold revival services in the Grove Avenue Baptist Church.

At the First Baptist Church this morning the pastor, Rev. Edward B. Pollard, will preach. All are cordially invited to attend. At the evening service at 7:30 o'clock H. C. Garrison will preach. In order to give the young people an opportunity to attend the Christian Endeavor Convention, the Baptist Sunday School Union, which was to have been held at the First Baptist Church, will be postponed until the first Sunday in January.

Rev. S. L. Rice, the pastor of the United Brethren Church, will preach both morning and night, and on Monday will return to Staunton, where he is conducting revival services.

Rev. B. F. Ball, presiding elder, will preach at Trinity at 11 o'clock, and Mr. Jones, the pastor, will preach at night.

Rev. J. W. Norris, of Alexandria, will preach at Grace in the morning. There will be no meeting at the Y. M. C. A. this evening, owing to the Christian Endeavor convention.

Rev. Ira Landreth, of Nashville, will fill the pulpit at St. Mark's in the morning at 11 o'clock.

MR. SAUTER SERENADED.

Several Hundred Employees of the Shops, Headed by the Band, Turn Out.

A. Sauter, foreman of the erecting shops of the Roanoke Machine Works, has been promoted to the position of a tier mechanic of the eastern division, with headquarters at Lombard's Point.

Mr. Sauter has been identified with the shops for the past thirteen years, and, as an evidence of the high esteem in which he is held by the many employees of the institution, about 200 of them, headed by the Roanoke Machine Works Band, proceeded to his residence last night at 8 o'clock, loaded down with tokens of their esteem and friendship in the way of several baskets of silverware and other substantial gifts.

The affair was kept very quiet and was quite a surprise to Mr. Sauter when the band struck up a serenade at his door, and upon coming out on the porch found the large concourse which had gathered to pay him their respects.

The gifts were from the 250 employees directly under his supervision. Mr. Sauter made a short speech thanking the men for their high appreciation of himself and expressed his regrets at leaving. He spoke in the highest terms of the management of the works from Mr. Sands down to Mr. Gilles and asked the men to be faithful to them, as they always had their personal welfare at heart as much as anything else. He afterwards invited everybody into his house where an elegant supper was spread.

Mr. Sauter leaves to-morrow to take charge of his work in his new field of labor. His departure will be regretted by his many friends here. He is a consistent member of St. Andrew's Catholic Church and a large property owner in this city. His family will probably join him later.

A SERIOUS CHARGE.

A Floyd County Man Arrested For Stealing Two Horses.

Chief of Police H. N. Dyer received a telegram yesterday from Sheriff Slusher, of Floyd county, saying to look out for two roan grey horses.

In the meantime N. S. Underwood had arrived in the city with the horses and went to Sanderson's livery stable and made the statement that he was on his way to Botetourt with some cattle. He asked Mr. Sanderson to loan him \$50 until he could return and he would leave his horses as a pledge for the return of the money.

Mr. Sanderson was unable to accommodate him, but soon found a man who would loan him the amount asked for and take a lien on his horses for the amount.

Later in the day Officer Smith succeeded in spotting the man and put him under arrest, but not until he had spent a portion of the \$50. He was locked up and the horses have been identified as those stolen in Floyd by two citizens and a constable of that county, who are in the city.

The young man who loaned Underwood the \$50 succeeded in getting an order from him to Chief Dyer for \$28 and a gold filled watch, worth probably \$10 or \$12. Underwood always put on a great deal of style, stopping at one of the finest hotels in the city.

The Discovery Saved His Life.

Mr. G. CALLOUETTE, Druggist, Beaveraville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail, and was given up and told I could not live. Having Dr. King's New Discovery in my store, I sent for a bottle and began its use, and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Massie's Pharmacy, 109 Jefferson street.

Pandemonium in a Revival.
At a negro revival in Elkhorn, W. Va., last Thursday, a negro man while shouting overturned a red hot stove near the mourners' bench. The live coals rolled in every direction and set fire to one woman's dress who was kneeling at the bench; she ran from the church, and in her flight she set fire to the dresses of a number of other women's clothing. Pandemonium reigned for a while until the fires were extinguished. The woman whose dress first caught fire is so badly burned that she cannot recover. A number of men had their hands badly burned smothering the burning dresses of the women.

THE BEST FAMILY MEDICINE

She Has Ever Known. Words of Praise from a New York Lady for

AYER'S PILLS

"I would like to add my testimony to that of others who have used Ayer's Pills, and to say that I have taken them for many years, and always derived the best results from their use. For stomach and liver troubles, and for the cure of headache caused by these derangements, Ayer's Pills cannot be equaled."

When my friends ask me what is the best remedy for disorders of the stomach, liver, or bowels, my invariable answer is, Ayer's Pills. Taken in season, they will break up a cold, prevent a gripe, check fever, and regulate the digestive organs. They are easy to take, and are, indeed, the best all-round family medicine I have ever known."—Mrs. MAY JOHNSON, 308 Rider Avenue, New York City.
